

Swipe Transactions

ONLINE GIVING FROM AMERICANCHURCH, INC.

The convenience of accepting donations or purchasing items from the office, your bookstore or in the parking lot during a fundraiser can be made easier by using a swipe device that can process transactions directly through your Sage Virtual Terminal. As a church using Online Giving from AmericanChurch, Inc., your church can add a swipe device to your account and begin taking payments anywhere.

Features

- Payments process through your existing Sage Virtual Terminal at your current rates with Online Giving
- Pull reports directly from your Virtual Terminal
- Receive monies directly into your bank account on file with Online Giving
- Office desktop model can be used for stationary processing
- Mobile processing devices can be used outside the office for sales or donations

Get started today!

To learn more about swip transactions and other Online Giving benefits, call us now at 800-446-3035 Ext. 2127 or visit online at americanchurch.com/onlineservices

Make transactions fast and easy.
