

Text-to-Give

ONLINE GIVING FROM AMERICANCHURCH, INC.

Some churchgoers want to give electronically, but dislike the hassle of remembering their username and password. Others can't or won't make the commitment to set up a weekly debit, but use one-time giving regularly to make donations. **Text-to-Give** simplifies the donation process, and removes the administrative inconvenience of tracking down envelope numbers for one-time donors and duplicate accounts. Once an account is set up and connected it to a mobile phone number, giving to your church and its causes is as easy as sending a text message!

Features:

- Able to set fund codes for designated giving
- Current donors can give by texting a dollar amount
- Gifts processed at standard transaction fees and deposit times
- No gift limitations or waiting for funds like when using phone company solutions

Make giving easy for:

- Weekly offering
- Special collections
- Holiday attendance
- Memorials
- Community support
- Disaster relief
- Campaign kickoffs or boosters
- End of year or last-minute giving
